

COOKIES POLICY

Ver. 1.2

Effective as of 06.07.2020

1. INTRODUCTION

- 1.1. This document is an internal document that sets general rules, how Marketplace uses different types of cookies, collected via website – www.gainwest.com, also may be referred to as “website”, for multiple purposes as described in details below.
- 1.2. Definitions used in this Cookies Policy have the same meaning, as given in Marketplace’s General Terms and Conditions.
- 1.3. The website is created and maintained by the GAINWEST OÜ, a private limited company, registered under the laws of the Republic of Estonia, company code: 14898068 (“Marketplace”). More legal and contacts information is available at website.

2. DESCRIPTION

- 2.1. A cookies is a small data file that is transferred and stored by some websites to a visitor’s device (computer, cell-phone, tablet or other device). Cookies make browsing much more convenient and allow user to return to websites without logging-in repeatedly or to remember website settings.
- 2.2. Marketplace uses cookies technology which allows collecting, storing and sharing fragments of information about every user’s activities at Marketplace. Cookies do not collect any personal information about site visitors, other than information specified below, and cookies do not download any information from the visitor’s device. Cookies collect information such as the IP address, the type of device used, the browser used, the websites visited, and information on the website from which the user has been redirected to Marketplace.

3. USAGE

- 3.1. Marketplace uses several types of cookies for different purposes:
 - 3.1.1. Necessary or mandatory cookies are used to ensure the operation of Marketplace, including allowing user to use Marketplace and login to visitor’s User Account. These cookies are used according to a legitimate intention of Marketplace to ensure operation of Marketplace and to provide relevant services. The required cookies are saved until visitor has closed the browser.
 - 3.1.2. Functional cookies are created when visitor first visits Marketplace. They allow Marketplace to remember settings visitor has chosen, that make it easier for visitor to use Marketplace and register the website, from which visitor has been redirected to Marketplace. These cookies are used according to a legitimate intention of Marketplace to improve operation of the Marketplace. Functional cookies are kept on user’s device permanently.
 - 3.1.3. Analytical cookies are used to collect and analyze information about user’s actions at Marketplace and to improve Marketplace’s functionality. These cookies are used according to a legitimate intention of Marketplace to collect statistics at Marketplace’s visits and to improve operation of Marketplace. Analytical cookies are kept on visitor’s device permanently.
 - 3.1.4. Target or promotional cookies are used to gather information about the websites user visits and segment the visitors of Marketplace for marketing purposes, including offering user appropriate services of Marketplace or its cooperation partners. These cookies are used according to visitor’s consent. When visitor visits Marketplace and uses the services thereof, particular visitor agrees that the target cookies are used. Target cookies are kept until visitor deletes them in its browser.
 - 3.1.5. Cookies are received by Marketplace and its cooperation partners that ensure the operation of Marketplace, collect and analyze user activities at Marketplace. Cookies information is not transmitted for processing outside the European Economic Area.

4. RESTRICTION AND DELETION

- 4.1. If visitor wants to restrict, block or delete cookies, this option is provided by changing the settings of visitor's browser. Visitor cannot refuse to use the necessary and functional cookies, since it is not possible to ensure the functioning of Marketplace in their absence.
- 4.2. Marketplace uses Google Analytics services. Visitor can opt out of using them by downloading and installing the add-on Google Analytics Opt-out Browser Add-on.

5. OTHER

- 5.1. Marketplace has the right to make changes to Cookies Policy at any time and make it public to visitors, by posting amended Cookies Policy at Marketplace and/or by approaching each visitor, that has a User Status, individually, using procedure set out, according to General Terms and Conditions. Any version of the Cookies Policy that is published at this Marketplace replaces all previous versions of the Policy and takes effect immediately upon posting unless stated otherwise.
- 5.2. For any questions regarding this Cookies Policy including any claims, requests about user's saved personal data and requests to delete information visitor must contact Marketplace, by writing an email to support@gainwest.com.
- 5.3. In case visitor is not satisfied with Marketplace's reply it has a right to contact the relevant data protection supervisory authority – Data Protection Inspectorate of the Republic of Estonia – <https://www.aki.ee/en>.
- 5.4. Please also review Marketplace's Privacy Policy, that sets out rules for personal data use in case a visitor acquires a User Status. Privacy Policy is published at Marketplace.
- 5.5. More general information about cookies and how to manage them may be found at www.aboutcookies.org.
